Reasons For Allowance

1. The following is a statement of reasons for the indication of allowable subject matter:

The claims in the instant application have not been rejected using prior art because no references, or reasonable combination thereof, could be found which disclose or suggest a tubular stent comprising first and second ends that are deformable between compressed and expanded configuration, where the expanded configuration has a transverse dimension at the first end that is larger than a transverse dimension at the second end and having a pattern density adjacent the first end that is substantially equal to a pattern density the second end, and when the stent is in the expanded configuration, the first end is flared to an oval transverse section and the second end is generally circular in transverse section such that the stent is implanted proximally abutting a carina of a vessel bifurcation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Victor X. Nguyen whose telephone number is (571) 272-4699. The examiner can normally be reached on M-F (8-4.30 P.M).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anh Tuan Nguyen can be reached on (571) 272-4963. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
